

VARDHAMAN COLLEGE OF ENGINEERING (AUTONOMOUS)

Shamshabad– 501 218, Hyderabad

Dental camp by Sai Dental College Vikarabad at regular intervals in Adopted villages, 22. Dec. 2014 to 24. Dec. 2014

Health 'camps' are one of the strategies adopted by both government and non-government organizations. This literally means that a team of health professionals 'camp' in an area to carry out a limited health intervention. The dental health camp conducted for the adopted villages at regular intervals of time for both villages people and the school kids , which are more prone to dental diseases ,by the way of not proper tooth brushing as well as washing habits . Awareness given to the kids.
