

Procs no.VCESEED/EEE/10

Date: 10-09-2018

Subject: Award of Seed money to conduct research on "Energy Independent Solar Drier" under VCE Research SEED grant.

Order:

The research project titled "Energy Independent Solar Drier" is awarded with sanctioned amount Rs. 4,00,000 (Four Lakh) under VCE Research SEED grant to Dr. H S Jain , Professor, Dept. of EEE, Vardhaman college of Engineering.

With the following terms and conditions:

1. The amount has to be spent on consumables and towards contingency
2. All non-consumables procured for the project will automatically become the property of the institute after completion of the project.
3. Any deviation in the expenditure as defined in the project proposal is not accepted. In such case prior permission is necessary from the Institute. After obtaining the permissions, funds should be utilized as per revised guide lines. No deviation is accepted.
4. Upon completion of project, he/she should submit final report on utilizing the funds.

Under the circumstances as stated above, the Principal is pleased to accord permission to award the Seed money under VCE Research SEED grant.

The expenditure shall be met from institute funds.

Subject: Award of Seed money to conduct research on "WINGTRA" under VCE Research SEED grant.

Order:

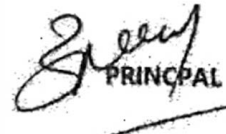

The research project titled "WINGTRA" is awarded with sanctioned amount Rs. 15,000 (Fifteen Thousand) under VCE Research SEED grant to Dr. S Ravi Varman, Professor, Dept. of EEE, Vardhaman college of Engineering.

With the following terms and conditions:

1. The amount has to be spent on consumables and towards contingency
2. All non-consumables procured for the project will automatically become the property of the institute after completion of the project.
3. Any deviation in the expenditure as defined in the project proposal is not accepted. In such case prior permission is necessary from the institute. After obtaining the permissions, funds should be utilized as per revised guide lines. No deviation is accepted.
4. Upon completion of project, he/she should submit final report on utilizing the funds.

Under the circumstances as stated above, the Principal is pleased to accord permission to award the Seed money under VCE Research SEED grant.

The expenditure shall be met from institute funds.

Subject: Award of Seed money to conduct research on "High Frequency Transformer-Tesla Coil" under VCE Research SEED grant.

Order:

The research project titled "High Frequency Transformer-Tesla Coil" is awarded with sanctioned amount Rs. 20,000 (Ten Thousand) under VCE Research SEED grant to Dr. H S Jain, Professor, Dept. of EEE, Vardhaman college of Engineering.

With the following terms and conditions:

1. The amount has to be spent on consumables and towards contingency
2. All non-consumables procured for the project will automatically become the property of the institute after completion of the project.
3. Any deviation in the expenditure as defined in the project proposal is not accepted. In such case prior permission is necessary from the institute. After obtaining the permissions, funds should be utilized as per revised guide lines. No deviation is accepted.
4. Upon completion of project, he/she should submit final report on utilizing the funds.

Under the circumstances as stated above, the Principal is pleased to accord permission to award the Seed money under VCE Research SEED grant.

The expenditure shall be met from institute funds.

Subject: Award of Seed money to conduct research on "How to Protect Land from Encroachments by Using VCE Smart Apps" under VCE Research SEED grant.

Order:

The research project titled "How to Protect Land from Encroachments by Using VCE Smart Apps" is awarded with sanctioned amount Rs. 25,000 (Twenty-Five Thousand) under VCE Research SEED grant to Venugopal, Associate Professor, Dept. of CSE, VCE.

With the following terms and conditions:

1. The amount has to be spent on consumables and towards contingency
2. All non-consumables procured for the project will automatically become the property of the institute after completion of the project.
3. Any deviation in the expenditure as defined in the project proposal is not accepted. In such case prior permission is necessary from the institute. After obtaining the permissions, funds should be utilized as per revised guidelines. No deviation is accepted.
4. Upon completion of project, he/she should submit final report on utilizing the funds.

Under the circumstances as stated above, the Principal is pleased to accord permission to award the Seed money under VCE Research SEED grant.

The expenditure shall be met from institute funds.
